

Underdog ResQ

An equal opportunity dog rescue

ABOUT UNDERDOG RESQ

Underdog ResQ Inc. is a 501c3 non-profit organization that saves good dogs in bad situations regardless of breed and age. It's the personality and behavior that counts with us. We do this through rescue, foster care and permanent placement in safe, nurturing homes. Many of the dogs we assist may have otherwise been euthanized as a result of limited resources, lack of adoption programs, breed discrimination or extreme overcrowding in animal shelters.

Underdog ResQ serves New England, Tri-States and South Carolina.

FOSTER HOMES NEEDED!!

Foster families care for dogs until they find permanent families. Be a part of a life-saving change! We can't save dogs without foster homes. Underdog ResQ takes care of the medical bills for all foster dogs and offers excellent support to its foster families. Medium, large breed, senior and pit bull friendly foster homes are in high demand. They need our help the most!

See our web site for more information and complete a foster application today!
